Environmental Sustainability @ Work

INSPIRE

Master Class
SERIES

Synopsis

Demystify the climate crisis and discover your role in building a sustainable future. This essential workshop transforms complex climate science into actionable insights, revealing both the urgent challenges we face and the unprecedented opportunities for innovation and leadership.

What You'll Understand:

Cut through the noise and gain crystal-clear insight into climate change fundamentals. You'll explore the science, timelines, and targets that drive global action, while discovering practical ways to contribute to solutions both personally and professionally in an applicable, simple and lay-person context.

Outcome:

Leave with a comprehensive understanding of climate science, practical sustainability frameworks, and a clear vision of how you can contribute to solutions while potentially building your career or business around the greatest challenge and opportunity of our time.

Who Should Attend:

Business leaders, entrepreneurs, sustainability professionals, and anyone seeking to understand climate change and capitalize on the opportunities within the green transition.

About the Speaker

Shaun Hoon is the founder of Curious Mind, a platform to connect thought leaders and change makers to corporations and higher institutions to inspire growth and foster opportunities. His core business includes: corporate training, youth development and conferences, specializing in sustainability, soft skills and leadership.

Prior to this, Shaun started Inspire and Inspire Living Magazine to help readers live better and strive for greatness (See <http://inspirebn.wordpress.com/>). Centre to Shaun's life purpose is the ability to bring the best out of people through questions, observations and story telling.

Shaun has written an e-book called The Heart of Service. He also wrote a book called My Life-My Career, on the stories of resilience of over 20 top agents in AIA. Shaun is also the founding curator of Global Shapers Bandar Seri Begawan, an NGO arm of the prestigious World Economic Forum.
